Coast Guard

33 CFR Part 165

Docket No. USCG-2013-1033

RIN 1625-AA00

Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to amend its safety zones regulations for annual events in the Captain of the Port Lake Michigan zone. This proposed rule would update the locations and/or enforcement times for 23 permanent safety zones, add 10 new permanent safety zones, and allow enforcement times to be subject to change with notice. We believe these changes are necessary to protect spectators, participants, and vessels from the hazards associated with annual maritime events, including fireworks displays, boat races, and air shows.

DATES: Comments and related material must be received by the Coast Guard on or before **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: You may submit comments identified by docket

number USCG-2013-1033 using any one of the following methods:

(1) Federal eRulemaking Portal:

<http://www.regulations.gov>.

(2) Fax: 202-493-2251.

(3) Mail: Docket Management Facility (M-30), U.S.

Department of Transportation, West Building Ground Floor, Room
W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590-0001.

(4) Hand delivery: Same as mail address above, between
9 a.m. and 5 p.m., Monday through Friday, except Federal
holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four
methods. See the "Public Participation and Request for
Comments" portion of the SUPPLEMENTARY INFORMATION section
below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on
this proposed rule, call or e-mail Petty Officer Joseph McCollum,

A. Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

1. Submitting comments

If you submit a comment, please include the docket number for this rulemaking (USCG-2013-1033), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online at, <http://www.regulations.gov> or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility.

We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, type the docket number USCG-2013-1033 in the "SEARCH" box and click "SEARCH." Click on the comment box in the row listing this NPRM.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

2. Viewing comments and documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number USCG-2013-1033 in the "SEARCH" box and click "Search." Click on Open Docket Folder on the line associated with this rulemaking. The following link will take you directly to that view: <http://www.regulations.gov/#!docketDetail;D=USCG-2013-1033>.

You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

3. Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

4. Public meeting

We do not now plan to hold a public meeting. But you may submit a request for one using one of the four methods specified under ADDRESSES. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register.

B. Regulatory History and Information

On April 5, 2013, the Coast Guard published a final rule entitled Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone in the Federal

Register (78 FR 20454). That final rule published after the Coast Guard considered public comments in response to a preceding NPRM in the Federal Register (78 FR 9640, February 11, 2013). No public meeting was requested, and none was held.

C. Basis and Purpose

The legal basis for this proposed rule is the Coast Guard's authority to establish regulated navigation areas and limited access areas: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

This proposed rule updates 23 permanent safety zones in 33 CFR 165.929. These 23 amendments involve updating the location, size, and/or enforcement times for 21 fireworks displays in various locations, 1 regatta in Spring Lake, Michigan, and 1 Air and Water Show in Gary, Indiana. The Coast Guard proposes to update the safety zones in § 165.929 to ensure that vessels and persons are protected from the specific hazards of the differing events, including firework displays, boat races, and air shows. These specific hazards include: obstructions to the waterway that may cause marine casualties; the explosive danger of fireworks; and flaming

debris falling into the water that may cause death or serious bodily harm.

Additionally, this proposed rule adds 10 new safety zones to § 165.929 for annually-reoccurring events in the Lake Michigan COTP Zone. These 10 zones were added in order to protect the public from the safety hazards previously described. The 10 additions include 9 safety zones for fireworks displays, and 1 safety zone for the launch of vessels on the Menominee River by Marinette Marine Corporation in Marinette, Wisconsin.

In this proposed rule, the Coast Guard also reorganized the safety zones in § 165.929 into a compressed chart which is sorted by month. This change of format was made in an effort to improve clarity and readability.

This proposed rule would also permit the enforcement dates and times for each of the safety zones listed in Table 165.929 to be subject to change, but the duration of enforcement would remain the same or nearly the same total number of hours as stated in the table. The Coast Guard would issue a Notice of Enforcement for safety zones in § 165.929 reflecting any changes to enforcement dates or times. This would facilitate minor changes in the date and time of an event by publishing a Notice of Enforcement in the Federal Register, along with issuing a Broadcast Notice to Mariners,

the Coast Guard can quickly inform the public of any changes to the enforcement dates or time for any of the zones listed within this proposed rule.

D. Discussion of Proposed Rule

The safety zones in this proposed rule are necessary to ensure the safety of vessels and people during annual marine or triggering events in the Captain of the Port Lake Michigan area of responsibility. Although this proposed rule will be effective year-round, the safety zones in this proposed rule will be enforced only immediately before, during, and after events that pose a hazard to the public, and only upon notice by the Captain of the Port Lake Michigan.

The Captain of the Port Lake Michigan will notify the public that the zones in this proposal are or will be enforced by all appropriate means to the affected segments of the public, including publication in the Federal Register, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification may also include, but are not limited to, Broadcast Notice to Mariners or Local Notice to Mariners.

Entry into, transiting, or anchoring within the safety zones is prohibited unless authorized by the Captain of the Port, or his or her designated representative. The Captain of the Port or his or her designated representative may be contacted via VHF Channel 16. All persons and vessels granted

permission to enter must comply with the instructions of the Coast Guard Captain of the Port Lake Michigan or his or her designated representative.

E. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this proposed rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zones

established by this proposed rule would be relatively small. Also, the safety zones are designed to minimize impact on navigable waters. Furthermore, the safety zones have been designed to allow vessels to transit unrestricted portions of the waterways not affected by the safety zones. Thus, restrictions on vessel movements within the affected areas are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zones when permitted by the Captain of the Port. On the whole, the Coast Guard expects insignificant adverse impact to mariners from the enforcement of these safety zones.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (5 U.S.C. 601-612), as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This proposed rule will affect the following entities, some of which might be small entities: the owners and

operators of vessels intending to transit or anchor in the areas designated as safety zones during the dates and times the safety zones are being enforced.

These safety zones will not have a significant economic impact on a substantial number of small entities for the reasons cited in the Regulatory Planning and Review section. Additionally, before the enforcement of these zones, we would issue a local Broadcast Notice to Mariners so vessel owners and operators can plan accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Petty Officer Joseph McCollum,

Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414)747-7148. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

4. Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that this proposed rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the "For Further Information Contact" section to coordinate protest activities so that your message can be received

without jeopardizing the safety or security of people, places, or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such expenditure, we do discuss the effects of this proposed rule elsewhere in this preamble.

8. Taking of Private Property

This proposed rule would not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children from Environmental Health Risks

We have analyzed this proposed rule under Executive Order

13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This proposed rule is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant

Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. An environmental analysis checklist supporting this determination is available in the docket where indicated under ADDRESSES. This proposed rule involves the establishment of safety zones and is therefore categorically excluded under figure 2-1, paragraph 34(g) of the Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165- REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for Part 165 continues to read as follows:

33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Revise § 165.929 to read as follows:

§ 165.929 Safety Zones; Annual events requiring safety zones in the Captain of the Port Lake Michigan zone.

(a) Regulations. The following regulations apply to the safety zones listed in Table 165.929 of this section.

(1) The general regulations in 33 CFR 165.23.

(2) All vessels must obtain permission from the Captain of the Port Lake Michigan or his or her designated representative to enter, move within or exit a safety zone established in this section when the safety zone is enforced. Vessels and persons granted permission to enter one of the safety zones listed in this section must obey all lawful orders or directions of the Captain of the Port Lake Michigan or his or her designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel must proceed as directed.

(3) The enforcement dates and times for each of the safety zones listed in Table 165.929 in this section are subject to change, but the duration of enforcement would remain the same or nearly the same total number of hours as stated in the table. In the event of a change, the Captain of the Port Lake Michigan will provide notice to the public by publishing a

Notice of Enforcement in the Federal Register, as well as, issuing a Broadcast Notice to Mariners.

(b) Definitions. The following definitions apply to this section:

(1) Designated representative means any Coast Guard commissioned, warrant, or petty officer designated by the Captain of the Port Lake Michigan to monitor a safety zone, permit entry into a zone, give legally enforceable orders to persons or vessels within a safety zone, and take other actions authorized by the Captain of the Port Lake Michigan.

(2) Public vessel means a vessel that is owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(3) Rain date refers to an alternate date and/or time in which the safety zone would be enforced in the event of inclement weather.

(c) Suspension of enforcement. The Captain of the Port Lake Michigan may suspend enforcement of any of these zones earlier than listed in this section. Should the Captain of the Port suspend any of these zones earlier than the listed duration in this section, he or she may make the public aware of this suspension by Broadcast Notice to Mariners and/or on-scene notice by his or her designated representative.

(d) Exemption. Public vessels, as defined in paragraph (b) of this section, are exempt from the requirements in this section.

(e) Waiver. For any vessel, the Captain of the Port Lake Michigan or his or her designated representative may waive any of the requirements of this section, upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or security.
